## Privacy Notice

This is the privacy notice of Paramount Zone Ltd. In this document, "we", "our", or "us" refer to Paramount Zone Ltd.

We are company number 4393190 registered in England.

Our registered office is at Unit 19, Lawson Hunt Industrial Park, Horsham, Sussex, RH12 3JR, UK.

### Introduction

1. This is a notice to inform you of our policy about all information that we record about you. It sets out the conditions under which we may process any information that we collect from you, or that you provide to us. It covers information that could identify you ("personal information") and information that could not. In the context of the law and this notice, "process" means collect, store, transfer, use or otherwise act on information.

We regret that if there are one or more points below with which you are not happy, your only recourse is to leave our website immediately. This may limit the service we can provide to you.

2. We take seriously the protection of your privacy and confidentiality. We understand that all visitors to our website are entitled to know that their personal data will not be used for any purpose unintended by them, and will not accidentally fall into the hands of a third party.
3. We undertake to preserve the confidentiality of all information you provide to us, and hope that you reciprocate.
4. Our policy complies with UK law accordingly implemented, including that required by the EU General Data Protection Regulation (GDPR).
5. The law requires us to tell you about your rights and our obligations to you in regards to the processing and control of your personal data. We do this now, by requesting that you read the information provided at [www.knowyourprivacyrights.org](http://www.knowyourprivacyrights.org)
6. Except as set out below, we do not share, or sell, or disclose to a third party, any information collected through our website.

## **The bases on which we process information about you**

The law requires us to determine under which of six defined bases we process different categories of your personal information, and to notify you of the basis for each category.

If a basis on which we process your personal information is no longer relevant then we shall immediately stop processing your data.

If the basis changes then if required by law we shall notify you of the change and of any new basis under which we have determined that we can continue to process your information.

### **1. Information we process because we have a contractual obligation with you**

When you create an account on our website, buy a product or service from us, or otherwise agree to our terms and conditions, a contract is formed between you and us.

In order to carry out our obligations under that contract we must process the information you give us, information which may include data about you or your employees. Some of this information may be personal information.

We may use it in order to:

- i. provide you with any of our professional services, including but not limited to, processing and shipping your order, taking and processing payments and refunds.
- ii. comply with our statutory and regulatory reporting responsibilities with for example, HMRC or other official bodies
- iii. process a query that you have submitted via our website, email etc.
- iv. deal with any type of other business enquiry
- v. seek your views or comments on the services we provide
- vi. notify you of changes to our services
- vii. send you communications which you have requested and that may be of interest to you
- viii. advertise activities, promotions of our associated hub partner goods and services;
- ix. process a job application.

We process this information on the basis there is a contract between us, or that you have requested we use the information before we enter into a legal contract.

Additionally, we may aggregate this information in a general way and use it to provide class information, for example to monitor our performance with respect to a particular service we provide. If we use it for this purpose, you as an individual (or your employees) will not be personally identifiable.

We shall continue to process this information until the contract between us ends or is terminated by either party under the terms of the contract.

### **2. Information we process with your consent**

Through certain actions when otherwise there is no contractual relationship between us, such as when you browse our website or ask us to provide you more information about our business,

including job opportunities, and products and services, you provide your consent to us to process information that may be personal information.

Wherever possible, we aim to obtain your explicit consent to process this information, for example, by asking you to agree to our use of cookies.

Sometimes you might give your consent implicitly, such as when you send us a message by e-mail to which you would reasonably expect us to reply.

Except where you have consented to our use of your information for a specific purpose, we do not use your information in any way that would identify you personally. We may aggregate it in a general way and use it to provide class information, for example to monitor the performance of a particular page on our website.

If you have given us explicit permission to do so, we may from time to time pass your name and contact information to selected associates or product partners whom we consider may provide services or products you would find useful.

We continue to process your information on this basis until you withdraw your consent or it can be reasonably assumed that your consent no longer exists.

You may withdraw your consent at any time by instructing us [cs@paramountzone.com](mailto:cs@paramountzone.com). However, if you do so, you may not be able to use our website or our services further.

### **3. Information we process because we have a legal obligation**
